and Welfare

Duties of the Task Force

Review pertinent statewide studies to identify actionable recommendations regarding the retention of nurses in Louisiana.

Research national practices regarding statewide nurse retention initiatives and nurse wellbeing.

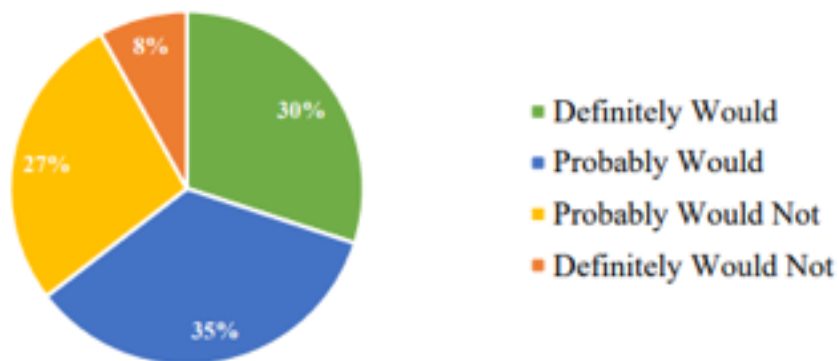

Consult with other interested stakeholders who have experience in nurse retention initiatives or nurse wellbeing.

Conduct surveys of licensed nurses with the assistance of the Louisiana State

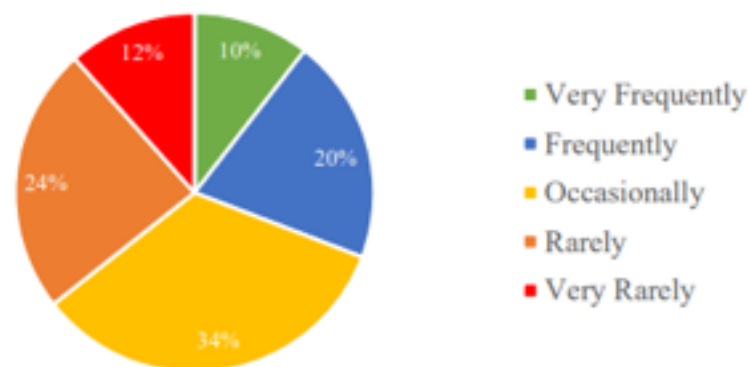

Results

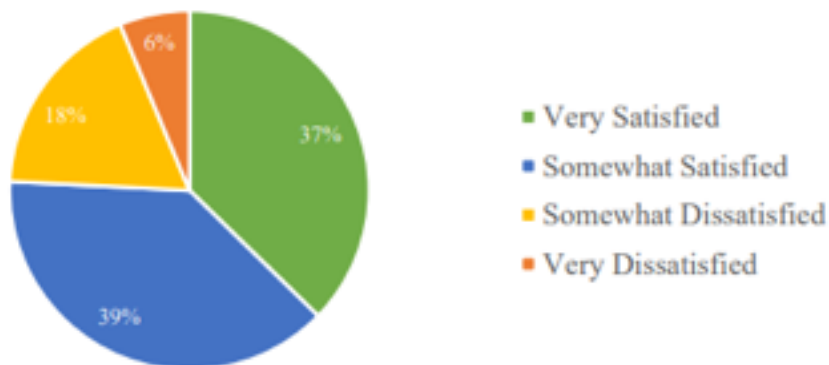

How likely are you to advise a qualified individual to pursue a career in nursing?

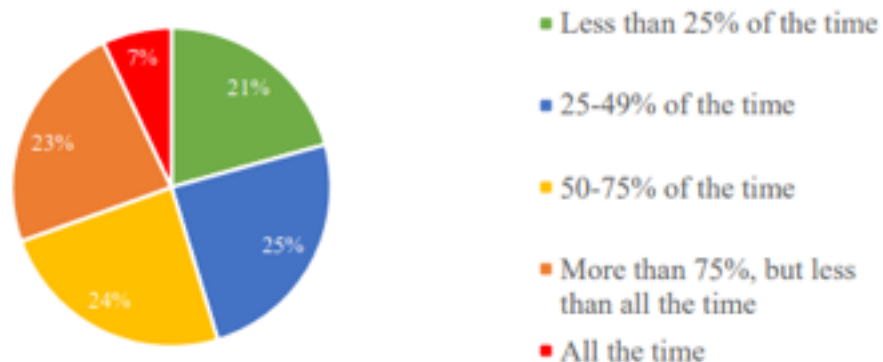

To what extent, in your work as a nurse, do you experience moral distress?

Independent of your present job, how satisfied are you with being a nurse?

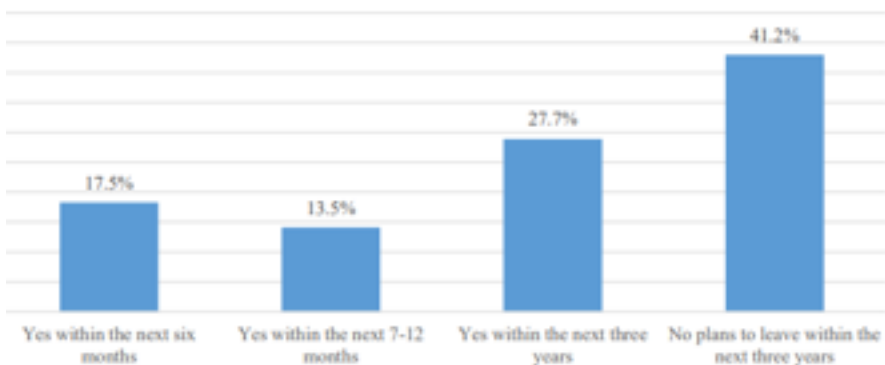

Concerning staffing, how often does your unit have the right number of nursing staff with the right knowledge and skills?

Results

Do you plan to leave your present nursing position?

How likely would each of the following be to influence you to reconsider your plans to leave your present position?
