**Nurses Leading the Way in Building a Culture of Health in Louisiana through Leadership, Collaboration and Partnership**

<p><b>Creating Healthier, More Equitable Communities</b></p>	<p><b>Making Health a Shared Value</b></p>	<p><b>Strengthening Integration of Health Services and Systems</b></p>	<p><b>Fostering Cross-Sector Collaboration to Improve Well-Being</b></p>
<p><b>Leveraging Nurse Leadership</b></p>	<p><b>Promoting Inclusivity/Health Equity</b></p>	<p><b>Improving Access and Removing Barriers to Care</b></p>	<p><b>Advancing Nursing Education</b></p>
<p>Conduct/Facilitate the Nurse Leader Institute, equipping emerging nurse leaders with information needed to lead the way in building a COH in Louisiana.</p>	<p>Host an Annual Culture of Health Summit in partnership with other state agencies and organizations.</p>	<p>Collaborate with nursing organizations and nurse champions at the state and national level to remove barriers to practice for all nurses in Louisiana through education of legislators and the public.</p>	<p>Collaborate with the Louisiana Center for Nursing to conduct a survey of all nursing faculty teaching in state's LPN, Pre-RN, and APRN programs to determine contributing factors to the looming nurse faculty shortage in Louisiana.</p>
<p>Facilitate Nurse Leader Mentorship Program, mentoring emerging nurse leaders in Louisiana.</p>	<p>Improve recruitment and retention of diverse students into the nursing profession building upon work of RACs and Diversity Steering Committee.</p>	<p>Work with nursing organizations and other interested stakeholders to expand access to primary care by addressing barriers related to scope of practice and reimbursement for NPs and CNMs.</p>	<p>Facilitate discussions with nursing leaders and nurse champions on strategies that can be used to recruit and retain qualified nurse faculty for Louisiana's nursing programs.</p>
<p>Collaborate with LSNA to reach the Louisiana target for the number of Nurses on Boards</p>	<p>Track retention and graduation rates for minority and male students enrolled in Louisiana's pre-RN programs</p>	<p>Utilize Louisiana Center for Nursing data to address nursing workforce issues in Louisiana.</p>
